Live-Streamed Services at Indian Valley Faith Fellowship Services are now live-streamed on the Internet. If you are unable to be at IVFF on a Sunday morning, the service can be seen on our website at indian-valley.org. Select "Media", then "Service Stream" then "Play" to see live video of the service. If you are in attendance at IVFF, there is a possibility that your image can be accessed over the Internet by anyone watching the service. Keep in mind that unless you are on the stage, only the back of heads will typically be seen for those who sit close to the front. If you have any objections to having your image streamed out on the Internet, please see one of the Elders so we can address your concerns.
